

Project Pray 2010

Take this request to your churches Prayer Chain???

My Pastors Wife, Pauline Scott was diagnosed nine months ago with cancer of the spine. They now say that barring a miracle it is a terminal cancer. Could your church pray healing for Pauline and comfort for her husband Tommy and Son Timothy? She is taking radiation to slow the cancer down but only God, through the prayers of his saints, can stop it.

For My Aunt Olive Weisheim: For a drug resistant staph infection that is spreading from her lungs to other parts of her body. They have tried nine antibiotics and the most recent one is over \$2,000. For 8 days. Pray that it works. It is about the strongest antibiotic they have.

For Ben Edwards: Mr. Edwards and I had a car accident. I am a little stiff in the neck yet but Ben is having troubles with his lower back and his job is handling 50 pound bags of feed all day. He is a young man. Hope you might pray for his back.

Pray for our dream for 2010: *that every child in the world starts the day with a Bible verse in his pocket.* Pray especially that as many families and churches as possible sign up to receive our free bulletin insert and that I learn to labor in the strength God provides instead of trying to do it all in my own strength...especially for grace to sleep at night.

Thank you for praying...Charles White
