

Will your child be sexually abused this year???

The chances are probably 2-3 times higher than breaking a bone.

1. **MODESTY MATTERS, TEACH IT!!!!!!** Dress them fully at all times. Be aware that television desensitizes even the smallest children and that sexual abusers are visually stimulated.
2. **BE ALERT!** Most abuse is still from adults but there is an increasing tendency for older children to abuse younger.
3. **MAKE SURE THEY ARE PREPARED!** With the horror so common every church should have a book on preparedness.

IF YOU KNOW OF A CHILD WHO HAS BEEN ABUSED THIS BLESSING IS FOR H__. It is not fair to leave a child alone with such a memory. After reading the blessing out loud on at least two separate days give it to the child to bring to you when he wants blessed again.

BLESSING FOR AN ABUSED CHILD

Father God, your son, Jesus, was perfect. He was good and kind and Holy but while he was on earth people insulted him, took his clothes, beat him, spit on him and left him naked and alone with no one to help or stop the hurt. You spoke to your child and he knew that he was loved and precious in your eyes no matter what people did to him.

Protect this child's spirit as you protected Christ's. May fear and anger be far from h__. Stir h__ Heart Lord so he understands that the same power that raised Christ from the dead is now working to heal h__. Memory by memory set h__ free of the past. Scripture by scripture strengthen h__ to love others who have been hurt and to fight evil wherever he finds it.

He healeth the broken in heart. Psalm 147:3
