

BLESSINGS TO BOND AND REBOND ANY FAMILY

All families have one basic choice to make: to be selfish and grouchy or to be self-less and bless each other. If your family chooses to bless use the following blessing like credit cards. When a child cashes one in place one hand on a shoulder or head and read the blessing out loud, silently asking God to add his love to yours. Being blessed is something a child will remember for life.

NEW TESTAMENT BLESSING

Ephesians 3:16

**May God strengthen you with power
Through his spirit in your inner being
so that Christ may dwell in your heart
through faith.**

BLESSING FOR SELF WORTH

Name calling can damage a child for life if not dealt with.

Father I bring _____ for your greatest blessing, the certain knowledge that YOU love h__. There are many voices all around each of us that call us worthless, useless, stubborn, bad or even ugly. Help h__ Father to hear only your voice saying: "You are worth more to me than my own life." "I know the plans I have for you, plans with a hope and a future." And "All the nations will call you blessed for YOU are my beloved." Jesus let each new name _he is called and each new hurt to h__ heart make h__ stronger...strong enough to lift others who are put down and called names.
