

How to get to Hell

Directions for children who want to make their own decisions

1. Take **Baby steps** that get you closer and closer until your sense of right and wrong no longer works.
2. Follow your **feelings**, feelings that can hurt so much most of us will even turn to Satan for relief.
3. Believe **television** when it pretends you can sin without paying the consequences.
4. Trust your **friends** who know that Satan is real but want you feel as bad and lonely as they do.

The following blessing can help keep a child safe but do go a step further. Make every effort to point out what happens to those who do yield to temptation. It is never a pretty sight and seeing is believing even for kids who want to do it their way.

BLESSING FOR WISDOM

Holy Creator bless this child with a supernatural instinct to protect h__ **HEART, MIND AND EYES** from Sin. Make h__ so sensitive to the Holy Spirit that Satan cannot get near h__ without setting off multiple spiritual alarms. Bless him with a clear mind so he___ understands that sin kills your soul as surely as crocodiles or lions kill a deer. Bless h__ with eyes that are not drawn to the music and movies around h__ but toward **YOU**, toward **YOUR CREATION**, toward the **CHRISTIANS** around him and toward **YOUR VISION** for mankind. May they are never turn in a direction that allows evil to enter, *not even a little at a time, not even when all his friends are doing it.*
