to my taste,
Sweeter than Honey*

WHY/AND HOW TO USE COLORING PAGES AS A STARTING PLACE FOR FAMILY DEVOTIONS.

WHY? Because parents are too busy for anything else.

HOW? Keep some by the door of your Sunday School classroom and let the children take as many as they want?

Maybe you could use them to get more children
to attend your Sunday School class?

Just print an invitation to visit your church on the back of 20-30 pages, add a box of crayons and put them out in the community... in auto repair waiting rooms, jail family rooms, laundromats etc. It is a child size project your class would surely enjoy.

For a little variety visit www.mypocketscriptures.com and www.scriptureflipper.com. Best of all...the next step in family devotions www.bibleparent.com.

Hope you might pray and share these requests with your church???

It has been almost a year but three or four times a week I STILL want a cigarette very much. Hope your church might pray.

MOSTLY THOUGH COULD your church pray for my mother Dorothy. For almost three years the Doctors have had trouble controlling her blood pressure. A month ago they found a new medicine shows great promise of doing the job without side effects. The problem is finding the right dosage. Hope you might pray that God would add his healing power to the medication and improve her circulation as well as *keeping her blood pressure in the safe range...not too high...not too low. This request is very precious to me...hope your church will pray.*
