WHY/AND HOW TO USE COLORING PAGES AS A STARTING PLACE FOR FAMILY DEVOTIONS.

WHY? Because parents are too busy for anything else.

HOW? Keep some by the door of your Sunday School classroom and let the children take as many as they want?

Maybe you could use them to get more children
to attend your Sunday School class?

Just print an invitation to visit your church on the back of 20-30 pages, add a box of crayons and put them out in the community... in auto repair waiting rooms, jail family rooms, laundromats etc. It is a child size project your class would surely enjoy.

For a little variety visit www.mypocketscriptures.com and www.scriptureflipper.com. Best of all...the next step in family devotions www.bibleparent.com.

Hope you might pray and share these requests with your church???

1. That God strengthen me in my inner man and make me more sensitive to the Holy Spirit? I tend to labor in my own strength which makes me grouchy and irritable...even problems sleeping. I know this should not be but trusting God is not always easy.

MOSTLY THOUGH COULD your church pray for my mother Dorothy. For almost three years the Doctors have had trouble controlling her blood pressure. A month ago they found a new medicine shows great promise of doing the job without side effects. The problem is that a new Doctor wants her to have surgery on the vessels in her neck. SHE HAS REFUSED...at least until after Christmas. She wants so much to have my brothers home for the Holidays. I know it is her decision *but hope you might pray that God keep her safe no mater which way it goes.*
