WHY/AND HOW TO USE COLORING PAGES AS A STARTING PLACE FOR FAMILY DEVOTIONS.

WHY? Because parents are too busy for anything else.

HOW? Keep some by the door of your Sunday School classroom and let the children take as many as they want?

Maybe you could use them to get more children
to attend your Sunday School class?

Just print an invitation to visit your church on the back of 20-30 pages, add a box of crayons and put them out in the community... in auto repair waiting rooms, jail family rooms, laundromats etc. *It is a child size project your class would surely enjoy.*

For a little variety visit www.mypocketscriptures.com and www.scriptureflipper.com. Best of all...the next step in family devotions www.bibleparent.com.

Hope you might pray and share these requests with your church???

I injured both my knees at age 14 but God has been faithful to keep me walking WITHOUT surgery. The problem is that all the weight I gained giving up cigarettes. is more than my knees can handle. I hope your church might pray that God help me get by without surgery because I can't afford it without giving up all our websites. In His service and yours.....J. Charles White?

MOSTLY THOUGH COULD your church pray for my mother Dorothy. For almost three years the Doctors have had trouble controlling her blood pressure. A month ago they found a new medicine shows great promise of doing the job without side effects. The problem is finding that a new Doctor is pressing her to have surgery on the vessels in her neck. SHE HAS REFUSED because of the memory of two surgeries years ago where they removed both halves of her lower jaw and replaced it with bone and metal. Hope you might pray for her.
