The book is surrounded by a complex pattern of overlapping black lines that form various geometric shapes like triangles, squares, and polygons, creating a dynamic, abstract background. # Thanks very much to all who have prayed for me and "Project Homeword"

Most things are going very well in 2008 but after 28 years I am personally more than a little tired. How I pray you will PASS ON one or all of these requests to your churches prayer chain.

For my Mother Dorothy White: The Doctor's have found a medication that seems to control her blood pressure without causing an irregular heartbeat. Hope you might pray that it continues to control her blood pressure and that God would heal her blood vessels and heart rhythm??

For me personally (Charles White): One of my favorite authors, Theodore Spurgeon in his book "All of Grace" says: "The best way to see others saved is to let God save you utterly and completely." Could you pray this for me "GRACE to TRUST GOD UTTERLY AND COMPLETELY, especially with irritability and sleeplessness and the longing to spend a whole year working FULL TIME on my dream. I have prayed for years for the \$10,000 dollar grant that would allow me to do this. I miss so much having a weeknight Bible Study. Perhaps God would help me find just the right one? It would be such a source of encouragement and strength.

Your prayers for MY MOTHER, for me and for "Project Homeword" are a precious gift...THANK YOU. This little three drawer caddie costs just seven dollars at most Dollar General and other thrift stores. We encourage churches to purchase one and fill it with our coloring pages. The idea is to reach the parents in your church and get them involved in putting God's word where it belongs...ON DISPLAY...in the home The caddie also makes a great EVANGELISM project for children. Something just their size that they can fill with coloring pages and crayons and put out in automotive waiting rooms, dentists offices etc Just print an invitation to attend your church on the back of each coloring page.

If you don't have time to make your own display we provide them prestocked with two posters, two cd's and 100 coloring pages for \$47 shipping included. THE IDEA IS TO GIVE CHILDREN THE POWER TO CHANGE THEIR HOMES BY WHAT THEY MAKE AND COLOR.
