

WHY/AND HOW TO USE COLORING PAGES AS A STARTING PLACE FOR FAMILY DEVOTIONS.

WHY? Because parents are too busy for anything else.

HOW? Keep some by the door of your Sunday School classroom and let the children take as many as they want?

Maybe you could use them to get more children
to attend your Sunday School class?

Just print an invitation to visit your church on the back of 20-30 pages, add a box of crayons and put them out in the community... in auto repair waiting rooms, jail family rooms, laundromats etc. *It is a child size project your class would surely enjoy.*

For a little variety visit www.mypocketscriptures.com and www.scriptureflipper.com. Best of all...the next step in family devotions www.bibleparent.com.

Hope you might pray and share these requests with your church???

1. That God strengthen me in my inner man and make me more sensitive to the Holy Spirit? I tend to labor in my own strength which makes me grouchy and irritable...even causes problems sleeping. I know this should not be but it is.

MOSTLY THOUGH COULD your church pray for my mother Dorothy. For almost three years the Doctors have had trouble controlling her blood pressure. A month ago they found a new medicine shows great promise of doing the job without side effects. The problem is finding the right dosage. Hope you might pray that God would add his healing power to the medication and improve her circulation as well as keeping her blood pressure in the safe range...not too high...not too low. *This request is very precious to me...hope your church will pray.*

THREE WAYS YOU/YOUR CHURCH CAN HELP MAKE GOD'S WORD FAMILY FRIENDLY.

Keep some Bible Coloring Pages in each Sunday School Classroom. Not only are they a GREAT first step to regular family Devotions they give children the power to change their homes by what they make and color. We are especially fond of the "Son Catchers" at www.homewordnow.com.

For Vacation Bible School visit www.scriptureflipper.com and help us get God's word on every desktop in America. The scripture flippers are a great craft but so are the Bible Frisbees, Bible keys, and especially the Scripture Jar.

Visit www.bibleparent.com, the only site in the world with free Bible Memory verses. They are great for vbs or any time but especially great for PARENTS who are willing to give them a try.

Ongoing prayer requests...

1. That God heal my carpal tunnel syndrome so I can continue work on these websites without crippling my wrists. 2. My normal heartbeat is about ten times a minute too fast and is a bit irregular. 3. A virus or something in my lungs. It just seems to hang on and on. 4. For restful sleep, a more recent problem than the others.

MOSTLY THOUGH COULD your church pray for my mother Dorothy. The Doctors are having troubling controlling her blood pressure. With her current medication it is *dangerously high*. When they try other things it get's *dangerously low*. Hope you might pray that God would heal her circulation and *keep her blood pressure in the safe range*. *This request is very precious to me...hope your church will pray.*
