

# Thanks very much to all who have prayed for me and “Project Homeword”

Hope you might take this request to your church's prayer chain.

**Sept 13 my mother Dorothy leaves on a 1400 mile care trip to Michigan.**

It is a celebration of her younger sister's 80th birthday. Mom's health has been much better for the last six months but at times of stress (like this trip) her irregular heartbeat could return at any moment. Hope your church might pray for her trip and her safe return on the 26th of Sept.

**For me personally (Charles White):** One of my favorite authors, Charles Spurgeon in his book “All of Grace” says: “The best way to see others saved is to let God save you utterly and completely.” Could you pray this for me “GRACE to TRUST GOD UTTERLY AND COMPLETELY, especially with irritability and sleeplessness and the longing to spend just six months working FULL TIME on the dream of my life...his word...ON DISPLAY...in the home??? For almost a whole year god has taken away the pain in my wrists but during Mom's absence I will be doing a lot more computer work and hope my wrists do not fail me.

**Your prayers for MY MOTHER, for me and for “Project Homeword” are a precious gift...THANK YOU.**
