

An open book is the central focus, tilted slightly to the right. The pages are white with black text. The background consists of a repeating pattern of overlapping circles, each outlined in black. The book's spine is visible in the center, and the pages are slightly curved as if being turned.

Always give yourselves  
fully to the work of  
the Lord.

**THANKS to all who have prayed for me and “Project Homework”**  
**We hope you will continue to pray for OUR DREAM that no child in the**  
**nation would be allowed to watch network television**  
**without FIRST coloring one of our Bible Verses**  
**AND our new website [www.homewordnow.com](http://www.homewordnow.com).**

## Request for April, May, and June

**For our new website [www.homewordnow.com](http://www.homewordnow.com).** When we started this work nearly twenty years ago our goal was to make all of the pages free to everyone. Our heart was for small inner city and rural churches who just couldn't afford expensive Sunday school materials and VBS curriculum. This is still true but our focus has changed a bit in favor of getting God's word into the HOME, especially that parents nationwide would not allow their children to watch ANY television show without first coloring one of our Bible verses. **The only way to do this is if thousands of Sunday School teachers join in and help us get the pages to the parents.** Could you pray for God to send these teachers??? Could you pray also that a few at least would purchase our very inexpensive master CD. Having the CD makes printing and copying the pages so much easier.

**For my Mother Dorothy and Aunt Olive:** Olive is planning, or at least hoping to visit Mom during Easter week. It is a long trip from Michigan to Kansas and Olive's health has been a real battle for the last three years. She is currently involved in a lot of follow up tests to find the cause of a shadow on her MRI. The shadow was just behind the stomach and could be quite serious. This trip means so much to both of them. I worry most about my mother however. Her struggle with high blood pressure is getting worse and each day I worry about a heart attack or stroke. **Could you pray for a peaceful and SAFE visit for BOTH these fine ladies??**

**For me personally (Charles White):** Hannah Whithall Smith in her book “The Christians Secret to a happy life” says: “There is no such thing as an irritable Christian.” I hope in my case she is wrong...but I suspect not. *Could you pray for God's grace to trust him with EVERYTHING and be at peace.* This prayer is not just for my work on Project Homework but my own personal peace. Could you pray that God help with this, especially for grace to sleep at night and freedom from irritability?
