Project Pray 2008

Take this request to your churches Prayer Chain???

By the grace of God our dream of giving away 1,000,000 Lord's prayer coloring books to America's 100 largest cities is becoming a reality. But I get weary... partly a long term problem with my heart beat and partly a lung problem that I can't seem to shake but partly because of discouragement and if I am honest a certain degree of bitterness. Could you pray for physical healing but also a refreshing of my spirit. The Holidays seem to be especially difficult.

FOR MY MOTHER DOROTHY

My mother's blood pressure (Dorothy) and circulation is still very serious and has begun to threaten her eyesight. Since returning from a visit with her Sister (Olive) in Michigan she seems discouraged and depressed...partly for her own situation...but mostly that she doesn't feel she is able to help those she has committed herself to love, her sister, my brothers, me. **Could your church pray for her blood pressure circulation and **heart**. The new medication seems to be working but it is pretty hard on her body and she doesn't sleep well.**

**THANK you for praying
For my mother Dorothy

And for me**

PS. In the first half of 2008 God has made provision for us to give away 20,000 free LORD'S PRAYER coloring books each to Chicago, Houston, Las Angeles and Atlanta. Hope you might pray for funds to reach the next 96 cities on our list and that I learn to trust God for ALL the details involved in preparing for these give aways.
