Thanks very much to all who have prayed for me and “Project Homeword”

Hope you will take this request to your church’s prayer chain.

Requests for September and October:

Pray for this little display. It doesn’t look like much but it is the perfect way for any church to bring new families into the church...just set it up in the waiting room of a tire shop or Doctors office. (Print your churches address and phone number on the back of each page with an invitation to drop by ANY TIME.) It is also THE WAY to get parents involved in the spiritual leadership of their children. Churches can buy their own for about \$7. at a Dollar General Store or they can buy one from us complete with our master CD, display tepee, family friendly holiday crafts, and 50 coloring pages for \$40 (plus \$6. shipping and handling). We don’t really care how it is done but our dream is to see thousands of these in communities and churches across the country. God’s word BELONGS ... in the hands of PARENTS. We can’t get His word on Gates and doorposts or tie it to the wrists and foreheads of our children but we can get it ON THE FRIDGE, and in their pockets. It is a command (Deut. 11 19-21)

For myself (Charles White) grace to TRUST God. I find that in spite of an irregular heartbeat I have started smoking again and not sleeping. (All three are probably due to a tendency toward self reliance instead of trusting God. Could you pray that I just forget to smoke and that He help me sleep. In my case both are critical to my health. Plus the irritability and impatience are not attractive to others...the very ones I want to share this dream.

Continued prayer for my mother Dorothy who continues to struggle with high blood pressure especially during the night.

If YOU or your church would like to TRY our little display, or the CD by itself (\$10) find our pay pal button or send a check to:
